## Vegan Food Fair 2017 Press Release

The Vegan Food Fair returns to Auckland on the 23<sup>rd</sup> of April 2017.

Bigger & better this will be the 2<sup>nd</sup> event held in Auckland where vegans, vegetarians and food lovers alike will gather at Alexandra Park to celebrate food.

The fair will be the largest vegan food fair ever held in New Zealand showcasing delicious plant based food & products from all regions of New Zealand. The vegan movement is growing in popularity, with many people embracing vegan food for ethical and health reasons. The VFF goal is to raise awareness about veganism and to showcase the beautiful food and lifestyle options that support it.

“Our aim is to increase the awareness and popularity of Vegan food in New Zealand and to bring enjoyment to those that already embrace the vegan lifestyle” says Daniel Ariyani, Founder of the Vegan Food Fair. “As people consciously choose food that is cruelty-free, they find that animal products are unnecessary. Now we're ready to show more people that a compassionate diet can be easy, healthy and delicious.”

There will over 100 stalls serving delicious plant-based food and beverages, and music/entertainment for the whole family. All are welcome at the Vegan Food Fair, from long-time vegans, vegetarians, and foodies who are curious about the lifestyle.

With over 100 vendors confirmed for 2017, the crowds are in for a culinary treat.
